

Our team look forward to working closely with you to design the dream cake that will be a memorable part of your celebration.

The wedding cake should be a reflection of the happy couple. It can be completely personalised - simple and elegant, elaborate and grand or fun and whimsical. The only rule is that it makes YOU, the bride and groom happy!

HOW TO START:

Contact us by phone or email to set up a meeting time. Ideally this will be 6-8 months prior to the wedding. We can sometimes accommodate shorter time frames - please contact us if this is the case.

A one hour complimentary wedding consultation is included in your wedding cake package. Consultations are by appointment only and are generally held during business hours Monday to Wednesday. Some after-hours appointments are also available.

If you are not yet ready to have a formal meeting, you are welcome to come and look at albums in the shop or view some of our previous wedding cakes [HERE](#)

WHAT TO BRING:

Bring along to the consultation anything that inspires you, including: pictures of wedding dress, invitation, venue, style of event, colours, flowers etc. If you have seen any pictures of cakes that inspire you, bring them and we can choose similar elements for your custom design.

WHO SHOULD COME?

Anyone who will be part of the decision making process. This could be bride, groom and Mother or best friend. It is however important to note that sometimes it can be challenging to come to a consensus with too many opinions!

WHAT NEXT?

Following your meeting with our cake designer, we will email you a detailed quotation for the designs discussed. Once you have chosen your design and the quote has been accepted, we request a 30% deposit to lock in your order and invite you to collect a taster selection (as previously discussed in our meeting) to take home and consider at your leisure.

CHANGES TO YOUR DESIGN:

Any changes to your design, after acceptance of the quotation and payment of the deposit, may incur extra charges.

BALANCE OF PAYMENT:

Balance of payment is due 14 days before your event.
